

PS Financials

Why Commercial Organisations have chosen PS Financials

PS Financials is the innovative Financial Management System that is at the heart of over **4,500** organisations in **58** countries, providing them with an enterprise class accounting, budgeting, purchasing and reporting solution.

PS Financials Ltd, has been supplying and implementing systems for over 15 years across a number of sectors including; Charity, NGO, Financial Services, Museums and Venues, Education and Commercial.

Commercial clients include:

How can we help?

- Unified Ledger which allows unlimited 'views' of data
- Automatic consolidation of companies, events & departments
- Removes modular boundaries
- Provides easy integration to other systems in areas such as ticketing, electronic point of sale, asset maintenance, payroll & HR
- Offers great support for in-house budget holders
- Fixed asset management - component accounting, automatic depreciation, building / refurbishments
- Ability to manage multi-currency
- Commitment accounting
- Cost effective deployment to remote users
- Control of designated restricted and unrestricted funds
- Automatic partial VAT recovery
- Full reporting suite
 - ▶ Profit and loss reporting
 - ▶ Event reporting spanning multiple financial periods
 - ▶ Project accounting - Restricted, Un-restricted & Designated
